

PRACTICAL BIBLE BAPTIST COLLEGE

COURSE DESCRIPTION

Biblical Responses to Different People

Dr. Rick Young

1 Credit Hour

Description: A person who says whatever they think of will without a doubt find themselves under the control of what other people say. As Christians we should say and respond with what is right, what is best and what God would want us to say. We must live our life by principles, not emotions and feelings. In this course we will take time to consider how people are different and how they may influence us, so that we can then prepare to respond in a Christ-like manner. We can make situations better and influence things to be more Biblical. Many verses of scripture will be studied as we learn Biblical Responses to Different People.
