Dr. Jeff Owens

1 Credit Hour

Description: In this class, you will learn about some of the topics that will best prepare one to succeed in their adult life. This class is referred to as a college prep class and it will certainly help young adults as they enter a new level of maturity on their life's journey. This class would be good for anyone both young and old that wanted to learn basic truths and instruction on foundational life topics. Not only will this class help the young adult, but it will be extremely instructional for new Christians.
