

# PRACTICAL BIBLE BAPTIST COLLEGE

## COURSE DESCRIPTION

Life Experience – Christian School Monitor  
1 Credit Hour

Description: A church should be all about serving God by serving people. This course will give you one credit for serving as a monitor in the Christian school ministry of your local church for 1 year. We believe that part of your college education should be actual service in a fundamental, Bible believing, KJB, Baptist church.

Definition: A monitor is someone who monitors the students as they work at school. A teacher is someone who teaches the school lessons personally.

Class: This course will consist of an interview with questions regarding your service to the Lord as a monitor in a Christian school for 1 year.
